INVITATION TO A WEBINAR ON COVID-19 IMPLICATIONS FOR DUTCH BUSINESSES IN TANZANIA

22 APRIL, 14-16 PM

We hope this message finds you in good health. The Embassy of the Kingdom of the Netherlands duly notes that COVID-19 has a strong impact on business operations across the country. Organizations big and small are taking all kinds of precautions. At the same time, COVID-19 poses for many companies a lot of (legal) questions on how to respond. How to best serve your employees? I have entered into a contract, due to the endemic I am unable to fulfill my obligations. What should I do? To this end, the Embassy in partnership with Rex Attorneys is organizing a webinar to seek answers to these and other important questions. Dutch businesses are kindly invited to join this webinar titled “Legal Implication of COVID-19 in Tanzania: Contracts, Employment, Migration and Tax Laws”. The webinar will consist of a brief presentation by Rex Attorneys and provides a possibility for Q&As. This will be followed by a general economic update of the Embassy with Q&As.

Date: **Wednesday 22 April 2020**

Time: **14-16 PM**

Kindly register via dar-ea@minbuza.nl

Once you have registered, we will send you the webinar registration details.
