Press release April 10-12

From the 10th till the 12th of April the main event of food and packaging industries of Ukraine – **the International Forum of Food Industry and Packaging IFFIP 2019** will take place in the International Exhibition Centre (15 Brovarskyi Ave., Kyiv).

This year around **250 exhibitors** from Ukraine and foreign countries will be presented at **IFFIP 2019**.

Organizer: Kyiv International Contract Fair, Ltd.

Partners of the Forum: Club Packagers, Ukrainian Bakers' Association.

IFFIP 2019 comprises 4 separate exhibitions of related industries: “**Bakery and Confectionery Industry**”, “**Pack Fair**”, “**FoodTechMash**”, “**Food Expo**”. It enables specialists of food, processing and packaging industries to find out the most up-to-date information on industry development and approach solving of the company's tasks in a comprehensive way.

Participation in the exhibition allows Ukrainian companies not only to present their products, but also to expand the market and find new partners, while foreign companies can also get new partners and enhance their export opportunities.

What are the novelties of IFFIP 2019?

This year the exhibition will be particularly remarkable for specialists of Ukrainian confectionery industry.

The First Ukrainian National Confectionery Art Championship.

For the first time the organizer together with French Culinary School DGF International Culinary Concept will hold **the first Ukrainian National Confectionery Art Championship** with public competitive selection process and transparent voting. Eight best chefs-confectioners from all over Ukraine will demonstrate their professional skills to the world-renowned judges-experts. Winners of the Ukrainian National Confectionery Art Championship will get the right to represent our country at the World Championship in Paris in February 2020.

Workshops by the most famous confectioners of the world:

- **April 10.** The workshop by **Damien Pichon**, one of the youngest and most talented chefs-confectioners in France, Member of Academy of Experts DGF, a

rising star of confectionery art and winner of author's awards. His professional workshop will help to gain new ideas and will inspire to create new delicious and stylish desserts;

- **April 11.** Workshop by the legendary French chef-confectioner **Angelo Musa**, World Champion in confectionery art, The Best Confectioner of France, Winner of the Cup of France and Trophy of Pascal Caffet. During the exciting workshop, on the example of author's desserts of confectionery art the chef will show to the audience unusual taste combinations, which can amaze even the most pretentious gourmet;
- **April 12.** The workshop of the world-famous confectioner **Christophe Adam** at the specialized workshop area. The French confectioner is called éclair king, because he is the author of the brilliant French eclairs L'Eclair de Genie. Only **Christophe Adam** can teach the art of baking eclairs.

Business program of Pack Fair.

Program of business events for the specialists of packaging and food industries will be no less intensive. Conferences, round tables and seminars with participation of the key players of food market will raise the topic of problems in the industry and ways to solve them.

More information about the business program is available at the link: <https://www.iffip.kiev.ua/en/about-forum/iffip/business-program>.
