Invitation Agricultural Knowledge Circle

The Netherlands Polish Chamber of Commerce (NPCC), together with the Netherlands Embassy in Poland and BNP Paribas Bank Polska have the pleasure to invite you to join the second VIP Agriculture Knowledge Circle networking meeting. The topic for this edition is:

The future of protein supply and demand: Strategies and objectives for protein crop production for food and feed.

The meeting is a 1,5-hour live broadcasting from a studio in Warsaw. The program aims to inform entrepreneurs that are active along the value chain of protein production about the state of affairs of the protein crop market.

We have the following interesting speakers:

- **Wiesław Łopaciuk**, Researcher at the institute of Agricultural and Food economy;
- **Grzegorz Kozieja**, Director of the Food&Agri Sector Analyses Bureau at the International Food&Agri Hub of the BNP Paribas Bank;
- **Stefan Breukel**, Policy Advisor at the Ministry of Agriculture, Nature and Food Quality (LNV) from the Netherlands;
- Interview on location with Managing Director **Adam Zaleski** from De Heus Animal Nutrition. This interview is being done by **Carolien Spaans**, Agricultural Counsellor at the Netherlands Embassy in Poland.

The broadcasting is moderated by Managing Director **Elro van den Burg** of the NPCC and **Michał Siwek**, Head of Food&Agri International Hub Department of BNP Paribas Bank Polska. All guests can participate in the Q&A with the speakers.
