

Job Description: Operations Coordinator at Alema Koudijs Feed

We are looking for somebody that can get things done with a positive, can do mentality. Needs to be a strong communicator that is able to build relationships and act like an owner. Understands basic manufacturing technology and likes to fix things. Affinity with keeping livestock or the animal feed sector is a plus. Can speak and write in English.

Alema Koudijs Feed

Alema Koudijs is a joint venture between De Heus Animal Nutrition from the Netherlands and Alema Farms from Ethiopia. With over 10 years of experience in the market the company made a significant contribution to the development of the livestock and feed sectors in Ethiopia.

Alema Farms founded in 1993 by Mr Alemayehu Amdemariam and Mr. Lemma Asfaw, has almost 30 years of experience in Ethiopia. De Heus Animal Nutrition is a family-owned, global feed company with its head office in Ede, the Netherlands. De Heus has built a successful position in the animal feed industry, producing yearly around 6 million tons of complete feeds, premixes and concentrates for farm animals. The company has business units in Europe, Asia, Africa and Latin America. De Heus also exports premixes and concentrates to more than 50 countries as Koudijs Animal Nutrition. De Heus group employs 5,000 people worldwide. Our mission is to secure the continuity of De Heus as a family-owned business and to realise worldwide growth in the animal feed industry, in accordance with our vision, values and culture, thereby achieving agricultural development and progress for our worldwide customers.
