and Finance**

**13th JUNE 2023, WARSAW**  
**ON-LINE using Microsoft Teams**

## **VI INTERNATIONAL SCIENTIFIC CONFERENCE**

**Economic Sciences for Agribusiness and Rural Economy**

under the theme:

# **The future of agriculture, food systems and rural areas**

The integral part of the conference is

### **Workshop for Young Scientists**

**The conference is organized under the auspices  
of embassies of France, Germany and the Netherlands**

### **Conference aims**

The Institute of Economics and Finance of the Warsaw University of Life Sciences - SGGW organises the next edition of the International Scientific Conference entitled "Economic Sciences for Agribusiness and Rural Economy". For the sixth time, the conference is going to create a platform for exchanging views of the scientific community with practitioners, both from Poland and abroad, whose research interests focus on the contemporary needs of the economy. The theme of the 6th edition of the conference is "The future of agriculture, food systems and rural areas".

### **Conference topics**

- ◆ Socio-economic crises and their importance for food security
- ◆ Agriculture in the face of climate and environmental changes
- ◆ The economics of agricultural production in times of Russian aggression against Ukraine and the global eco-crisis
- ◆ Sensitivity of food systems to fluctuations in energy carriers' prices and disturbances in the continuity of their supplies
- ◆ Environmental performance in the agri-food sector and rural areas
- ◆ Energy production on farms – a new function of agriculture
- ◆ Carbon farming and carbon dioxide cultivation
- ◆ Circular economy

### **Conference proceedings**

Papers (written in English) that pass the review procedure will be published in the Proceedings of the International Scientific Conference "Economic Sciences for Agribusiness and Rural Economy". Recommended volume of the paper should not exceed 10 pages. The editorial requirements are available on the conference's web page.

The publication will be released after the conference in electronic version. Conference Proceedings will be sent to the CONFERENCE PROCEEDINGS CITATION INDEX – SOCIAL SCIENCE & HUMANITIES (Clarivate Analytics former THOMSON REUTERS ISI INDEX) accessible in the Web of Science database.

Articles should be submitted via the OJS electronic system  
<https://js.wne.sggw.pl/index.php/esare/about/submissions>

**REGISTRATION: [esare.conference.ieif.sggw.pl](https://esare.conference.ieif.sggw.pl)**

Participants presenting papers during the Conference will receive a certificate of participation.
